# IMPACT 2.0

Youth Employment Research Project

## Are you a youth with a Diverse ability who is interested in working?
## Come and learn about the IMPACT 2.0 PROJECT!

WISE Employment Solutions, UNITI is happy to announce the **IMPACT YOUTH EMPLOYMENT RESEARCH PROJECT**.

- This project is a great opportunity for youth ages 16 -19 or students from Grades 10 through 13 who are preparing to move from secondary to post-secondary and/or employment
- Improve your employment outcomes
- Learn about your employment related interests and strengths
- Help to prepare for success in the workplace through a series of learning labs  Building your skills sets through interactive activities
- Learning how to apply and interview for work
- Expanding your circle of people and networks

The IMPACT 2.0 Project runs from January 2023 – December 2025

**Recruitment/Intake: Ongoing until February 29th, 2024**
**Start date: June 3, 2024**

Contact us to learn more about the project and how you can get involved:
**Call:** 604.306.2794 OR 604.218.9087
**Email:** l.debaumontphilippsen@uniti4all.com OR a.rayas@uniti4all.com

In partnership with 10 agencies along with University of British Columbia, The main aim of IMPACT 2.0  is to address employment rates for youth with developmental disabilities by intervening with youth as they transition from school to work. The project proposes to establish evidence-based best practice for employment intervention activities and refine and test the employment best practices each year to see if employment outcomes improve as the best practices are tested and updated into a standardized approach.
