

Youth Employment Project

Supporting youth with unique backgrounds to achieve meaningful employment opportunities

Are you a youth from Racialized Communities, Indigenous Communities, and with an intellectual disability or ASD looking for employment opportunities?

Come join us!

BENEFITS

- Culturally Appropriate Pre-employment learning opportunities
- Employment Training curriculum crafted to support the youth
- Exceptional opportunity for youth to enhance employment prospects
- Engaging activities such as resume, cover letter writing and mock interview sessions, to help with essential job application skills
- Discover and cultivate insights into employment preferences, values and strengths

Project runs from May 2024 until December 2024

Eligibility: youth that are finishing school, up to 29 years old
